Driving Books Forward

Bound Galleys

SPEED. EFFICIENCY. QUALITY. PRICE.

BookMobile's bound galley service offers:

- Fast turnaround
- Easy transfer of files in a wide range of formats through BookMobile's ftp site
- Crisp, readable printing and full-color covers
- Highly competitive pricing

BookMobile is designed for speed. Our state-of-the-art digital production system and skilled craftspeople produce bound galleys and advance readers' copies in five to seven business days. Fast turnaround means your new titles are in the hands of readers and reviewers faster, creating a buzz instead of languishing in production at a traditional printer.

Easy Set-up. Upload your PDF files to BookMobile's ftp site.

- We'll add "Uncorrected Page Proofs" or "Advance Readers Copy" banners to your covers at no extra charge.
- We'll insert publicity contact pages to your front matter at no extra charge.

Clean, Crisp Printing. Our state-of-the-art digital presses produce clean, high-resolution pages on white, natural or recycled paper stock. All galleys are perfect bound, with full-color covers or black-and-white on colored cover stock. Gloss or matte layflat film lamination is available.

NOW AVAILABLE – 50-lb white recycled paper!

Competitive Prices. And best of all, BookMobile prices are highly competitive, with special volume discount programs for frequent customers.

To request a free sample of a BookMobile book, get more information or obtain a no-obligation cost estimate, contact us today.
